

## LONG BIO:

**Abhi Golhar is a keynote speaker on innovation, uncertainty, and the future of leadership—dedicated to helping professionals and organizations turn doubt into their greatest competitive advantage.** Through his powerful keynote, Big Breakthroughs Start With Doubt, and his signature REST & RISE Framework, Abhi challenges audiences to let go of outdated thinking, confront fear with clarity, and lead boldly through change.

A three-time nationally syndicated radio host, Abhi's insights have been featured in Forbes, Inc., and HuffPost. He's known for making complex ideas—like market shifts, leadership psychology, and change management—feel personal, practical, and actionable.

Abhi's story is proof of his philosophy in action. From navigating \$1,000,000+ in debt and an FBI investigation in inner-city Detroit to becoming a sought-after voice in boardrooms and on national stages, he embodies resilience, reinvention, and the power of using doubt as a signal—not a stop sign.
