

LONG BIO:

Abhi Golhar is a keynote speaker on wealth building, financial freedom, and the future of professional services leaders. He is dedicated to helping leaders break free from the cycle of chasing the next listing and instead build strategies that create true legacy.

In his keynote **Momentum of Money**, Abhi reveals the 10 most overlooked wealth accelerators that professional services leaders can put into action right now. From tax-free income structures and legal entity setups to passive wealth plays and disciplined investing, he shows leaders how to turn today's commission into tomorrow's stability.

A three-time nationally syndicated radio host, Abhi's insights have been featured in Forbes, Inc., and HuffPost. He has built a reputation for making complex financial strategies accessible, practical, and easy to implement.

From navigating his own business challenges to helping countless professionals grow sustainable wealth, Abhi embodies the truth that transactions pay the bills, but wealth builds the future.
