

PRONUNCIATION: **AH-BEE GOAL-HAR**

Have you ever wondered why some leaders end their careers with stress while others retire with security and influence? The difference is not in how many homes they sell, but in how they use their commissions.

Today's speaker believes closings are just the starting line. His keynote **Momentum of Money** reveals 10 overlooked wealth moves that leaders can put into practice immediately to create financial freedom and build lasting legacy.

He is a nationally recognized speaker, three-time syndicated radio host, and trusted voice featured in Forbes, Inc., and HuffPost. His insights help leaders turn today's sales into tomorrow's security.

Please join me in welcoming Abhi Golhar.
