

# ABHI GOLHAR

Abhi Golhar is a trusted voice for leaders who want financial confidence without jargon. **With years of experience in business strategy, entrepreneurship, and leadership coaching**, Abhi equips executives and managers to translate numbers into strategy. His keynote *The Non-Finance Finance Talk* is a tested playbook for leaders ready to own the financial story and drive lasting impact.

## ABHI'S MESSAGE IS CLEAR:

Execution keeps the lights on. Financial fluency builds the future. Abhi shows leaders how to decode financial statements, spot the right metrics, and use simple frameworks to make smarter, faster decisions. His "Business Operating Lens" gives leaders a plug-and-play way to align finance with strategy and safeguard growth.

“ I JUST LEFT ONE OF THE MOST IMPACTFUL KEYNOTES I’VE EVER ATTENDED ON BUILDING INFLUENCER STATUS AND BRANDING.

*Abhi didn't just teach, he shifted the way we think about creating momentum. His humor kept us laughing, his insights were spot-on, and he gave us a framework we could use immediately to move from hesitation to action.*

THE KEYNOTE

## ABHI GOLHAR THE NON-FINANCE FINANCE TALK

### How Leaders Can Turn Numbers Into Strategy

In this keynote, Abhi equips leaders to speak the language of finance with clarity and confidence. Attendees learn how to translate data into action, leverage tax-smart structures and risk management, and use financial fluency to shape strategy at scale. With real-world examples and tactical tools, this keynote empowers leaders to stop leaving value on the table and start turning today's numbers into tomorrow's strategic advantage.
