

## PODCAST GUEST

Today's guest is Abhi Golhar, a nationally recognized keynote speaker on efficiency, resourcefulness, AI, and high performance. His keynote **The Efficiency Edge** shows how teams and leaders can succeed by pairing human focus with the leverage of AI.

A three-time nationally syndicated radio host featured in Forbes, Inc., and HuffPost, Abhi brings raw stories and sharp frameworks for cutting waste, focusing on what matters, and using AI to multiply output under constraints.

Get ready for a conversation that challenges assumptions about what is "not enough" and gives you tools to stretch your resources and win anyway. Please welcome Abhi Golhar.
