

LONG BIO:

Abhi Golhar is a keynote speaker on marketing, AI, and the future of professional services leaders. He is dedicated to helping professionals turn video into a powerful growth engine.

Through his keynote, **Youtube Unlocked**, Abhi shows professionals how to move beyond outdated marketing tactics and embrace the platforms and technologies that buyers actually trust. His step-by-step framework reveals how to attract qualified leads, nurture loyal communities, and close more deals without wasting money on ads that do not work.

A three-time nationally syndicated radio host, Abhi's insights have been featured in Forbes, Inc., and HuffPost. He has a reputation for making complex tools like AI and digital marketing simple, actionable, and revenue-focused.

From reinventing his own brand to becoming a trusted voice on national stages, Abhi embodies resilience, clarity, and innovation. His philosophy is simple: in today's competitive market, the leaders who win are the ones who create trust at scale, and that begins with video.
