

PODCAST GUEST

Today's guest is Abhi Golhar, a nationally recognized keynote speaker on marketing, AI, and the future of professional services leaders.

Abhi is helping pros master the modern growth playbook with his keynote, **Youtube Unlocked**, where he shows how YouTube and AI are transforming lead generation, trust-building, and client conversion.

A three-time nationally syndicated radio host featured in Forbes, Inc., and HuffPost, Abhi has a rare ability to simplify complex tech and make it profitable for everyday professionals. His personal journey, pivoting from Wall Street to becoming a trusted advisor to professional services leaders across the country, is as practical as it is inspiring.

Get ready for a conversation that will shift how you think about marketing and leave you with tools you can put into action tomorrow. Please welcome, Abhi Golhar.
