

LONG BIO:

Abhi Golhar is a keynote speaker on innovation, leadership, and strategic reinvention. He is dedicated to helping leaders and organizations transform moments of hesitation into bold breakthroughs.

In his keynote **Move the Needle: The Future of Innovation**, Abhi introduces the Momentum Matrix, a decision-making framework designed for today's volatile environment. He shows how doubt, often seen as weakness, is actually the first signal that change and innovation are possible. Through Spark, Struggle, Shift, Surge, and Sustain, Abhi guides leaders to harness doubt, push through friction, and accelerate decisive action.

A three-time nationally syndicated radio host, Abhi's insights have been featured in Forbes, Inc., and HuffPost. He has advised thousands of organizations and turned around underperforming companies with strategies that embrace disruption and reinvention.

From building and exiting multiple companies to coaching executives nationwide, Abhi embodies resilience, clarity, and reinvention. His philosophy is simple: uncertainty is not the enemy—it is the edge.
